Rock Spirits Hand Sanitizer

The employees of Rock Spirits, NLC's manufacturing division, have been producing hand sanitizer for the past several weeks to be delivered to front-line workers, including first responders and other personnel within the public healthcare sector, as directed by the Department of Health and Community Services. This will continue to be our first priority, however we are now in a position to offer our hand sanitizer for sale to wholesale and other companies.

Product Specifications & Pricing:

- Liquid hand sanitizer with 80% ethyl alcohol
- 1140 ml plastic bottle
- 12 bottles per case
- Product will be sold in full cases only
- No minimum order quantity
- \$138.00 per case plus tax
- Pickup location at 90 Kenmount Road, NLC's corporate office
- Customers would be responsible for their own dispensing units or pumps if required.

If you would like to purchase, please send an email to RockSpiritsOrderDesk@nliquor.com with your order quantity, in full cases only. If you still have related questions or would like any additional information before placing your order please email Charlene Hounsell directly @ charlene.hounsell@nliquor.com. Upon placing your order you will receive another email with all instructions for invoicing, payment and pick-up of product.

It is an understatement to say we are all in unprecedented times right now. NLC will remain committed to our efforts to help mitigate the risks associated with COVID-19, and help to protect the people of Newfoundland and Labrador. We are all in this together. Stay safe.
