ANESTHESIA & FAMILY PRACTITIONER
POSITIONS AVAILABLE

Eastern Health is accepting applications from Anesthetists or residents in training that are interested in full time employment at the Dr. G. B. Cross Memorial Hospital, Clarenville.

The general accountabilities of the position include the provision of individualized direct and indirect patient care to patients in which the incumbent has been adequately trained and supervised and providing services within the scope of practice including consultations, pre-anesthesia assessment clinics, coverage to obstetrical patients, provision of a pain service, and on-call coverage for urgent and emergency procedures requiring anesthesia services.

The Dr. G. B. Cross Memorial Hospital has 47 acute care beds, 42 long-term care beds, and two respite care beds. Services include anesthesia, chemotherapy, diabetes education, family practice, general surgery, gynecology, obstetrics, ICU/Cardiac, internal medicine, laboratory, palliative care, pediatrics, psychiatry, radiology, respiratory therapy, ultrasonography and 24-hour emergency. Other services include laboratory, nursing, nutritional, pharmacy, physiotherapy, radiology, social work and visiting specialty clinics. Allied Health services are also provided.

Eastern Health is also accepting applications from Family Physicians or residents in training that are interested in full time employment at the Bonavista Peninsula Health Centre, Bonavista.

Successful applicants are accountable for the provision of comprehensive health care services to patients receiving care. The services include: chronic disease management, long term care, palliative care, respite care, prenatal care, emergency care / patient stabilization and transfer, minor surgery and acute in-patient care.

Physicians will be expected to provide emergency call, long term care coverage, and general practice clinics.

The Bonavista Peninsula Health Centre has 10 inpatient beds which includes one palliative care bed. The Protective Care Unit has 13 beds which includes 1 respite bed. The services include 24 hour emergency services, blood collection, laboratory services, diagnostic imaging, x-ray, diabetic education, dietician, chemotherapy services, occupational therapy, physiotherapy, phototherapy, mental health, outpatient clinics and inpatient services. The Centre is associated with the long term care facility Golden Heights Manor which consists of 70 beds (level 3 care) which includes 1 respite bed.

Salaries for the Anesthesia and Family Practitioner positions are in accordance with the Memorandum of Understanding between the Government of Newfoundland and Labrador and the Newfoundland Medical Association.
