

MEMORANDUM

TO: All Physicians

FROM: Dr. Douglas Drover, Chief of Staff

RE: ***Urgent Request for Physician Volunteers***

The first COVID ward is now set up on 4SA at the HSC. The care of the patients will be the responsibility of the physicians in the Program of Internal Medicine. We want to ensure that we have as many physicians as possible to assist our medicine colleagues in the management of our patients.

I am reaching out to all of you requesting volunteers to help in the management of the inpatient COVID ward(s). Each of you has skills and training which will help us care for our patients in this crisis. Please email your willingness to help our medicine colleagues to me at douglas.drover@easternhealth.ca

Your help in this public health crisis is essential and very much appreciated.

Doug
