As Canada marks National Pain Awareness Week, Chronic Pain sufferers and their families are invited to gather to learn more about living with and managing pain, medical advancements and access to treatment in Newfoundland and Labrador.

**Wednesday, November 7, 2007**  
7:00 to 9:30 PM  
**Memorial University**  
Health Sciences Centre, Medical School Auditorium  

$5 Registration Fee  

Presented by  
Newfoundland and Labrador Long Term Pain Association and Action Atlantic
