NLMA AGM Postponed

The NLMA Annual General Meeting (AGM), originally scheduled for June 6, will be postponed, given the disruption to normal business brought on by the pandemic. This decision has been made by the Board of Directors consistent with the bylaws and governing legislation. NLMA President Dr. Charlene Fitzgerald will continue her term until the AGM, which we expect to occur in September or October through virtual technology. Further details on the meeting date and the election for a President-elect will be communicated as soon as they are confirmed by the Board.
